Over the course of Easter Term, please remember the following:

- We all need to follow the government’s COVID-19 rules and guidelines in order to maintain a safe community for everyone. These are outlined in the College Life document and updated when the Government makes key changes.

- Some of you will finish your exams just as others are starting theirs. We hope you get a chance to relax and unwind when your exams finish, but remember to be kind to and mindful of your friends and peers who are still working hard.

- Some of us are morning larks and some of us are night owls. Others, as the saying goes, are “permanently exhausted pigeons”. Whichever category you fall in to, please do bear in mind that your neighbours might not keep the same hours as you, so keep noise levels to a minimum – particularly early in the morning and late at night.

- We encourage you to continue to socialise with your housemates in your household areas. You can also still meet with housemates (as well as friends from other households) in the gardens and in the marquees – provided there’s no more than six of you and that you ensure you are socially distanced. We know the “rule of six people or two households” allows for larger outdoor gatherings at this time but given it’s exam term, we are not permitting groups of more than six to meet on College premises. We’re doing this to help ensure that the College remains a calm and quiet place for you all to rest and study.

- At the moment, Government regulations mean that the Bar, the JCR and the MCR remain closed, and you cannot meet with friends from other households in your indoor household areas. We all hope the rules regarding indoor socialising will change on 17 May but for now, please continue to adhere to the rules that are in place. If anything changes, we will let you know.

- Disciplinary rules are laid out on the College website (Ordinance 37) and while we hope the Dean will not need to discipline anyone, please rest assured that any complaints will be dealt with swiftly. Any time sensitive concerns or complaints should be reported to the Porters’ Lodge. For all other complaints, please contact the Dean (st325@cam.ac.uk) or your Tutor.

- If you are feeling overwhelmed or need some support, help is available: the student wellbeing pages on the University website are full of useful information, you can make an appointment with the College Nurse or College Counsellor, and your Tutors and Directors of Studies are also there to help you weather any storm.
